Children's development program of APSASM for 2011 was presented by Akaash, Prerna, Priyanka, Shivani, and Bhavya. This year presentation was about the holy Vedas such as the Abhudev (prosperity) and Nihshrayas (highest good) for the manushayas (humans). The children also discussed the subjects of Vedas which are Vijnana (philosophy or metaphysics), Karma (action in general), Upasana (communion with God) and Jnana (knowledge in general).

They also talked about the four ashrams: Brahmacharya (life of a student as per Dharm), Grihastha (the life of householders), Vanaprastha (the life of an ascetic or abstinence from worldly pride and disciplining your character towards abstinence of worldly pleasures in pursuit of contemplative ideals) and Sannyasa (the life of a Dharmik teacher who has renounced the world). Finally to conclude the program, they discussed about the 16 Kalas which are: Ishan or accurate thoughts, Prana or vitality (energy or life), Shraddha or faith in satya, Akash or ether, Vayu or air, Agni or fire, Jal or water, Prithvi or earth, Indriya or senses, Man or knowledge, Anna or grain/food, Virya or Strength, Tapa or righteous conduct, Mantra or Knowledge of Vedas, Karma or effort for good deeds and Naam or name. Then Pandit Prashant Sharma elaborated on the topics to have a better understanding.

In October 2011, we had our Annual General Meeting. Mr Surya is taking over Mrs Shareen's role as secretary. The other office bearers were re-elected unanimously. President Mr Radesh presented the president's report. Pandit Prashant presented the secretary's report. All the financial statements were presented to the members 4 - 5 weeks prior to the AGM. The financial statement was accepted unanimously by all members and non-members. Sub-committees for Prachar Samiti, Newsletter and Bhajan Samiti were elected.

Mantra of the month:

"Om annapate annasya no dehyanamivasya sushminah. Prapadataram tarish urjam no dhehi dvipade chatushpade."
